## WYEP's ReImagine Media Calls for Applications

Teen Musicians and Visual Artists Apply by Dec 7

PITTSBURGH, PA—Dec. 1, 2014: **WYEP's ReImagine Media** is accepting applications to participate in the 2015 **ReImagination recording project**. Teen musicians aged 12-19 from Southwestern Pennsylvania can apply to be part of the ReImagination CD at <http://www.wyep.org/reimagine-media>

The application period ends at midnight December 7, 2015; applications will be reviewed, and those selected to participate in the project will be notified in early January.

This will be the second CD produced through ReImagine Media, an initiative of WYEP's Education Department that connects young area musicians with a team of professional musicians who mentor them through the process of creating, recording, and producing a full-length CD.

ReImagine Media also sponsors a youth-led music site, with project participants' music reviews and features about music and musicians; to learn more, visit <http://reimaginemediablogspot.com>, offering youth experience and training in writing and photography, as well as mentoring in the areas of publication and digital rights.

The 12 musicians or bands selected for the 2015 ReImagination CD project will work with professional producers and will receive studio time to record and produce a song for inclusion on the compilation CD, released by WYEP. They participate in and are mentored through the processes of recording, mixing and mastering the CD at The Church Recording Studio. The production process will begin in January, and the CD will be released in the spring.

For the first time this year, ReImagine Media is accepting proposals for cover and packaging artwork for the ReImagination CD. Art applications are also online at <http://www.wyep.org/reimagine-media>

### ***About 91.3 WYEP***

91.3 WYEP is Pittsburgh's independent, non-commercial music station, inspiring our community with diverse and vibrant music, events, and ideas. On the air since 1974, we celebrate 40 years of music and community in 2014 with programming that ranges from roots and blues to contemporary rock and alternative sounds. Our home, the WYEP Community Broadcast Center, is a LEED Silver Certified building located on Pittsburgh's historic South Side.
